Forschungsprojekte / Research projects

Was macht ein Projekt aus? / What does it take to launch a project?

Kooperation / Cooperation

- ▶ Gemeinsames Verständnis der Projektziele
- ▶ Innerhalb des Zeitrahmens zum Ergebnis kommen
- ▶ Den Kostenrahmen nicht überschreiten - Effizient arbeiten

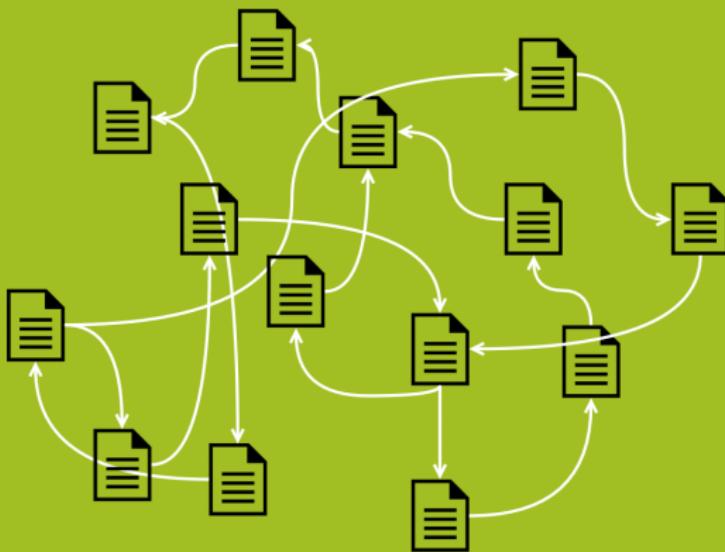

- ▶ Common understanding of project goals
- ▶ Deliver on time
- ▶ Be efficient to finish within budget

In der Vergangenheit / In the past

Quackenbos, J.D., 1886. *Illustrated School History of the World*. D. Appleton.

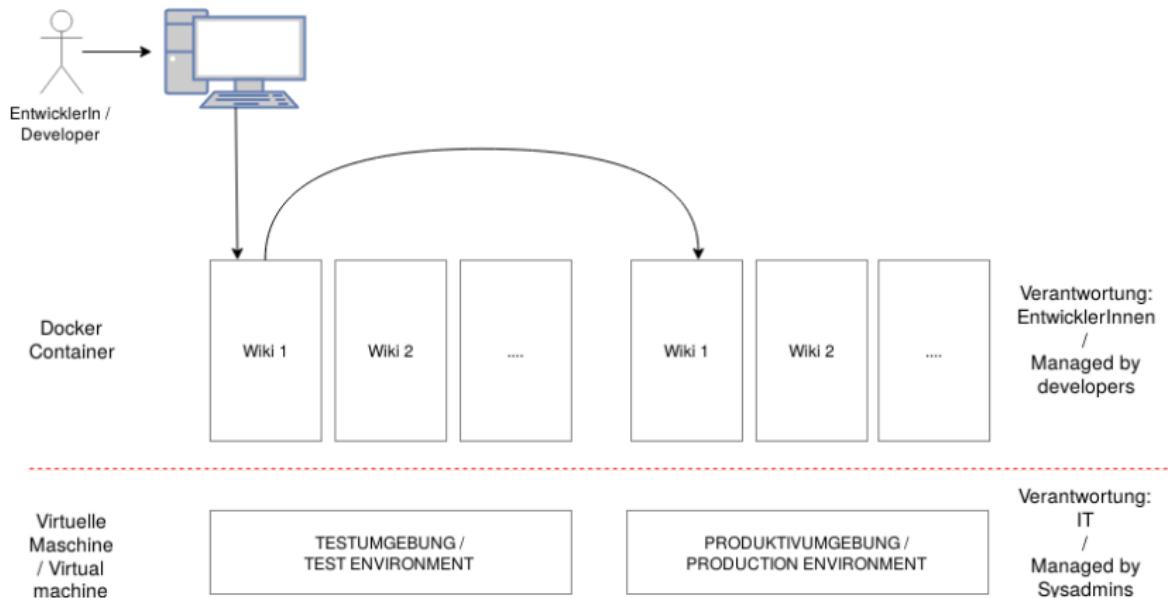

Word® .doc Hölle / Word® .doc hell

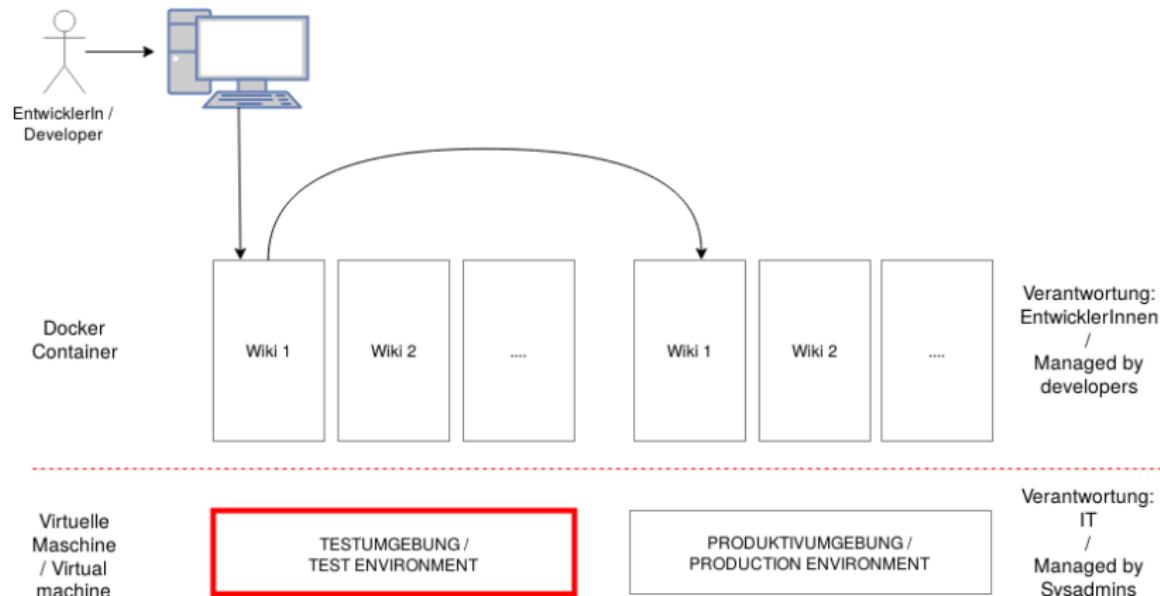

Nichts gegen Word® aber... / Absolutely nothing against Word®, however, ...

- ▶ Keine Versionierung: wer hat die Endfassung?
 - ▶ Kein Dokumentverlauf: wer hat was geschrieben?
 - ▶ Proprietäre Software: Anbieterabhängigkeit
-
- ▶ No versioning: who has the final version
 - ▶ No document history: who wrote what?
 - ▶ Proprietary software: vendor lock-in

Dockerized Wikis

Aktuelles Arbeit / Current work

Lösungsansatz / Planed solution
